Farhan Sadeque

Excel specialist | Data Analysis | Software Developer Enthusiast |
CSC Senior @ IUB
Dhaka, Bangladesh

Summary

Hey! I am Farhan Sadeque, a CSC senior at IUB with an eager mind on data, code and data analysis everything that piques my interest. I take a plunge into software development, and love to materialize ideas to actual projects- full stack web applications, smart inventory management, Dashboards

I enjoy analytics, time hacks, and other ways to simplify everyday life by means of technology. I also coordinate events artistic ventures and I work with teams where brainstorming and coffee are synonymous.

I am a builder, thinker, and life-long learner who is always ready to take challenge- and perhaps have some fun in the process.
